480 PEDESTAL ADHESIVE

Akfix 480 is a single component, polyurethane based adhesive particularly designed for installation of access flooring systems.

FEATURES & BENEFITS

- Provides excellent green strength,
- Bonds Metal to Concrete,
- Suitable for both indoor and outdoor applications,
- Water resistant when cured,
- Excellent gap-filling properties,
- Paste like consistency,
- One component, no mixing required,
- Good adhesion on concrete, chipboards, plywood, fiber reinforced gymnasium and cement boards.

APPLICATIONS

- Suitable for adhesion of raised access floor pedestals to floors.
- Suitable on metal, concrete, chipboards, plywood, fiber reinforced gymnasium and cement boards.
